INPTRA Regulatory Effectiveness through Evidence and Innovation
MISSION

- The mission of INPTRA is to promote and contribute to the continuous development of leading regulatory practice through education, information sharing and other collaborative activities with key stakeholders worldwide.

VISION

- To be recognized as the leading international authority on excellence in physiotherapy regulation, ensuring safe and competent practice.
WHAT HAS INPTRA ACCOMPLISHED SINCE 2017?
MEMORANDUM OF UNDERSTANDING BETWEEN WCPT AND INPTRA
INPTRA and WCPT recognise that:

- the evolution of physical therapy is dependent on having appropriate levels of professional regulation
- advancements of the profession should always be balanced against protection of the public.
- Greater understanding of best practice regulation will support the development of the physical therapy profession internationally
- The physical therapy profession works in a globalized world and facilitating greater workforce mobility is key to delivery better health outcomes
WCPT/INPTRA MOU
PRINCIPLES

INPTRA and WCPT

- Recognize the independence of their respective organizations to develop and advocate policies relevant to their membership
- Support greater communication between the leadership of each organization
- Will diligently proceed in good faith and make reasonable efforts and cooperate with each other, to achieve the activities set out in this document.
WCPT/INPTRA MOU ACTIVITIES

- INPTRA agrees to lead efforts to develop and disseminate a “white paper” relating to the global practice and regulation of providing telehealth physical therapy rehabilitation services.
- WCPT agrees to include the INPTRA perspective in work being developed on the physical therapy assistant’s workforce and advance physical therapy practice.
To be recognized as the leading international authority on excellence in physiotherapy regulation, ensuring safe and competent practice

**Stakeholder value**
Continuously develop valued services and resources for the INPTRA community.

**Governance/financial**
Effective governance, sustainable leadership, and fiscal management.

**Evidence-informed regulation**
Continue to build the evidence base for effective health professions regulation and encourage translation into action.

**People**
Continue to build the INPTRA community: establishing relationships, supporting collaboration and promoting inclusiveness.
